

## WTX M4 SOCCER ACADEMY

*Soccer • Faith • Community*

*"Not Just For The Win!"*

### JOIN THE M4 FAMILY

If you're looking for a youth soccer experience that develops your child as a player and as a person — not just a scoreboard — welcome home. WTX M4 Soccer Academy is a Christian faith-based youth soccer club serving the Midland/Odessa community, built by a soccer family for soccer families.

#### WHO WE ARE

---

WTX M4 Soccer Academy is a 501(c)(3) nonprofit organization competing under US Club Soccer, serving players from U6 through U12. The club was founded on a simple conviction: youth soccer in our area has plenty of competitive intensity, but not enough focus on developing the whole player — on the field, in character, and in community. We built M4 to be that alternative.

#### OUR THREE PILLARS

---

Soccer — Age-appropriate, progressive training focused on real player development, not just this week's result.

Faith — A Christian foundation woven through our culture, with optional team devotionals and prayer.

Community — Real relationships between families, teams, and the broader Midland/Odessa soccer community.

#### WHAT MAKES US DIFFERENT

---

Development comes first. Playing time is earned through effort and coachability, but every rostered player gets meaningful minutes — especially at the younger age groups. Coaches are trained to prioritize growth and character over the scoreboard. And because faith participation is always voluntary, every family is welcomed and treated equally regardless of belief.

#### WHAT WE OFFER — SOCCER

---

Removing cost as a barrier to competitive soccer is central to our mission. Here is what WTX M4 Soccer Academy commits to providing on the soccer side, and how we intend to fund it.

- **1. Uniforms — Fully Sponsored.** Each team is responsible for fundraising its own kit costs, and the wider club family is expected to help make that happen. Uniform sponsorship is a community effort, not an individual expense.
- **2. Equipment.** Balls, pop-up goals, cones, and pinnies are the minimum training equipment every coach needs. The club will strive to fundraise so every coach has this equipment on hand to train players.
- **3. Practice Space.** We intend to sponsor training space that is a step above local public fields. Training is hard enough without doing it on dirt patches full of stickers and bumps.
- **4. Registration Dues.** League fees and tournament entry fees for the season.
- **5. Travel Costs.** When travel is required for out-of-town tournaments, the club prefers fundraising over direct donations to cover travel costs. Travel cost coverage does not include personal expenses such as food or transportation. If a specific need arises for a family or a team, the Board of Directors will determine how funds are raised to assist. Our goal is to keep this as fee-free as possible for families.

## WHAT WE EXPECT — LEAGUE AND TOURNAMENTS

---

Every rostered player's team carries baseline costs for league play. Below are our minimum season expectations and estimated costs:

- League registration — fall and spring competitive seasons, plus summer and winter off-season leagues.
  - Estimated \$50 - \$75 per player per season.
- Tournaments — a minimum of two local tournaments per season.
  - Estimated \$50-\$75 per player tournament.
- Uniform kit — new kit each season:
  - Estimated \$100 - \$250 per kit each season.
- Total Estimated Family Cost = \$250 - \$475 each season (assumes minimum of two tournaments).
  - This does not include gear for your child or team.

**The costs above are why we strive to raise funds through donations and fundraising.  
We believe this should be as free as possible, as long as possible.**

## WHAT TO EXPECT

---

- Organized, well-run practices and games under US Club Soccer for the 2026–2027 season
  - August 1, 2026 – July 31, 2027
- Coaches who are background-checked and SafeSport certified as required by US Club.
- A club that funds itself through sponsorships, donations, and fundraising as much as possible.
- A community that shows up for each other, on and off the field.

## GETTING STARTED

---

Registration is simple, and we'd love to have your family on the pitch with us.

Reach out to Levi Harris, Club President, to learn more about age groups, schedules, and next steps.
